Kangaroo, I Love You!

Color the kangaroo, then cut it out and place it on construction paper, assisting as needed. Make a red felt heart that the kangaroo can hold in its paws to complete the Valentine.

Krafty Kangaroo

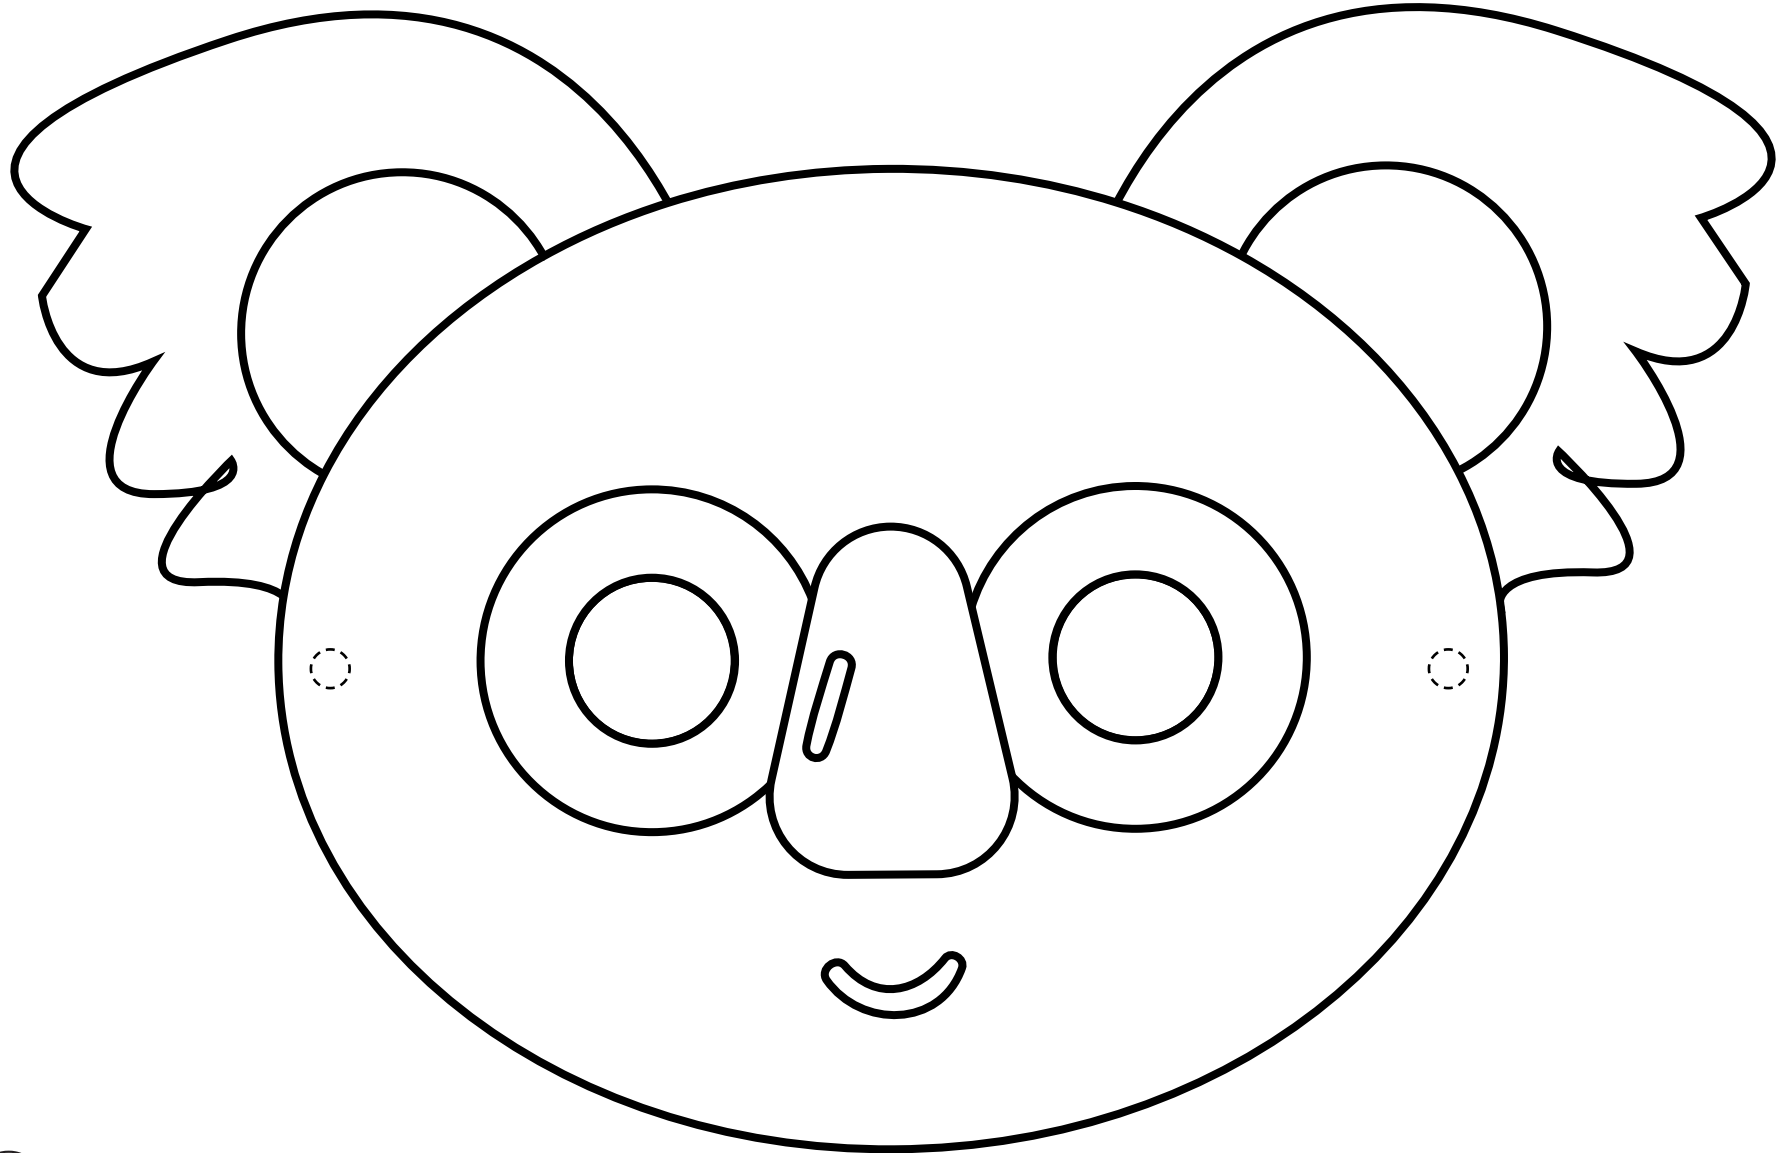

Color in the head and mouth. Glue the head onto a brown paper bag to make a kangaroo puppet. Create a pouch using various colors of cut fabric.

Marsupial Mask

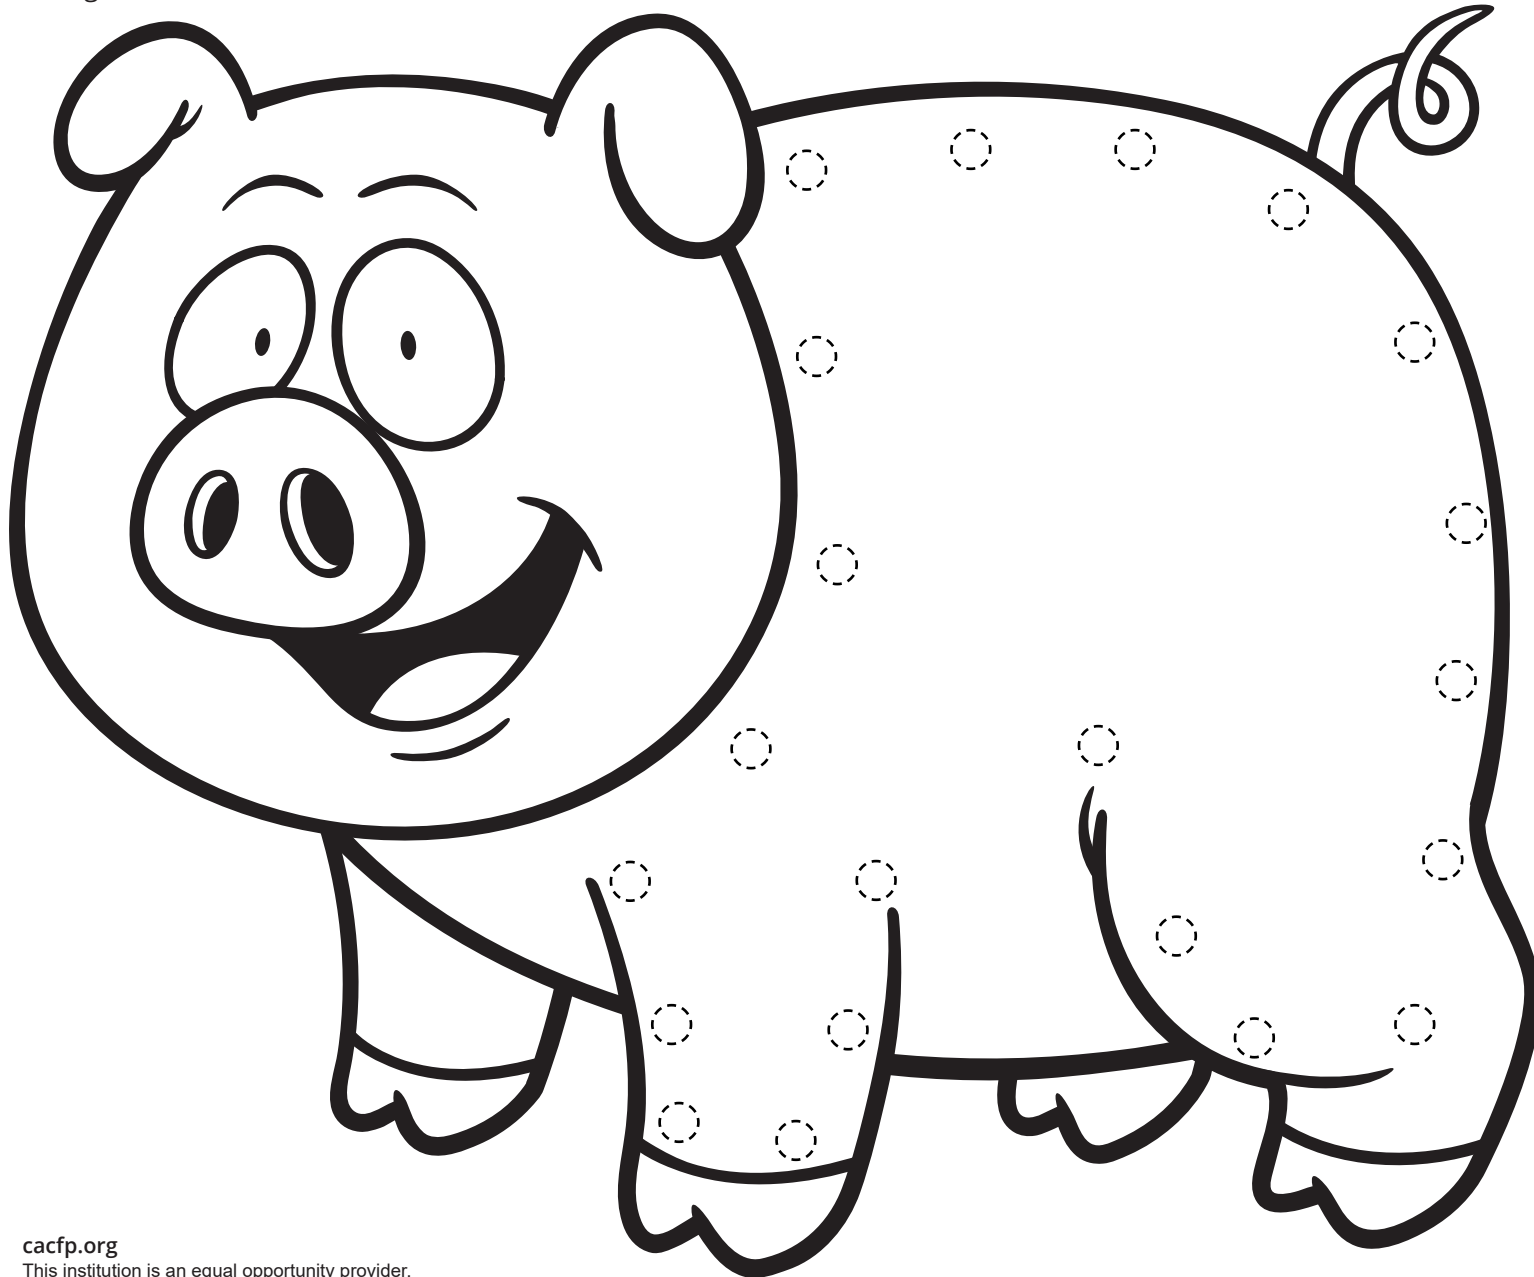

Print this page out on cardstock. Color the mask, then cut it out. Use a hole punch to make a hole on each side of the koala's face. Tie a string to each hole to make a mask that you can tie at the back of your head.

CACFP is an indicator of quality child care.

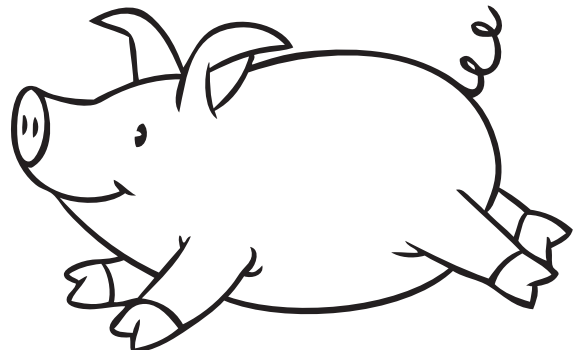

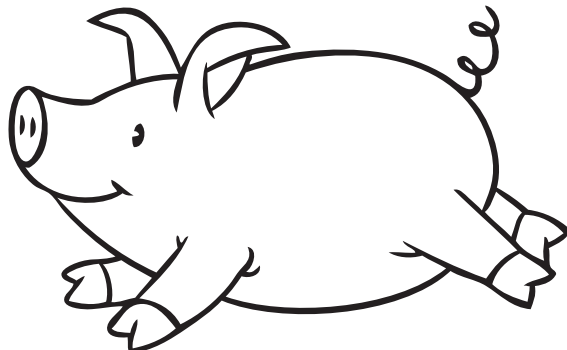

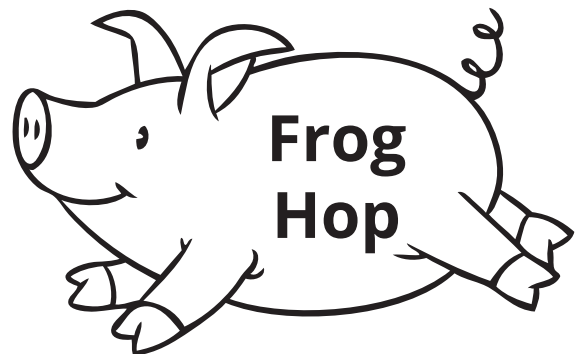

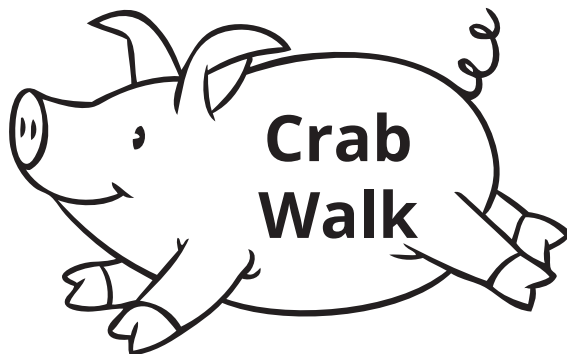

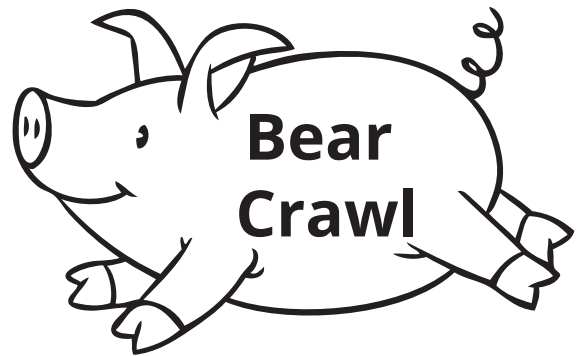

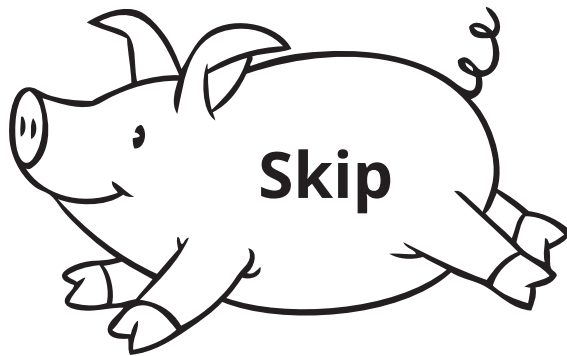

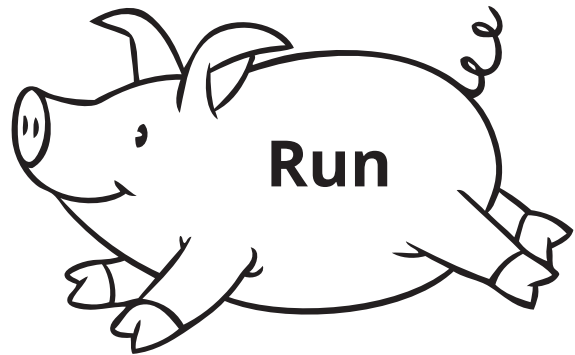

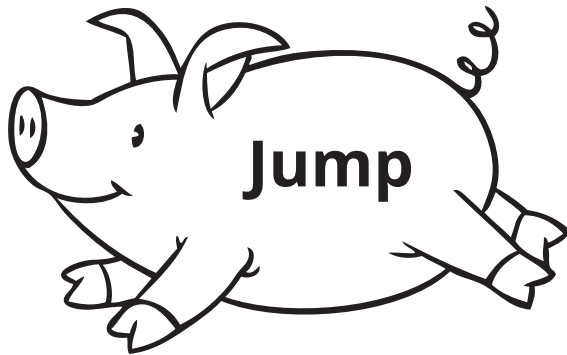

Sewing Sow

Print this out on cardstock, then cut the pig out. Using a hole puncher, punch holes on the designated spots. Have children practice their fine motor skills by sewing yarn through the holes.

Pick a Pig

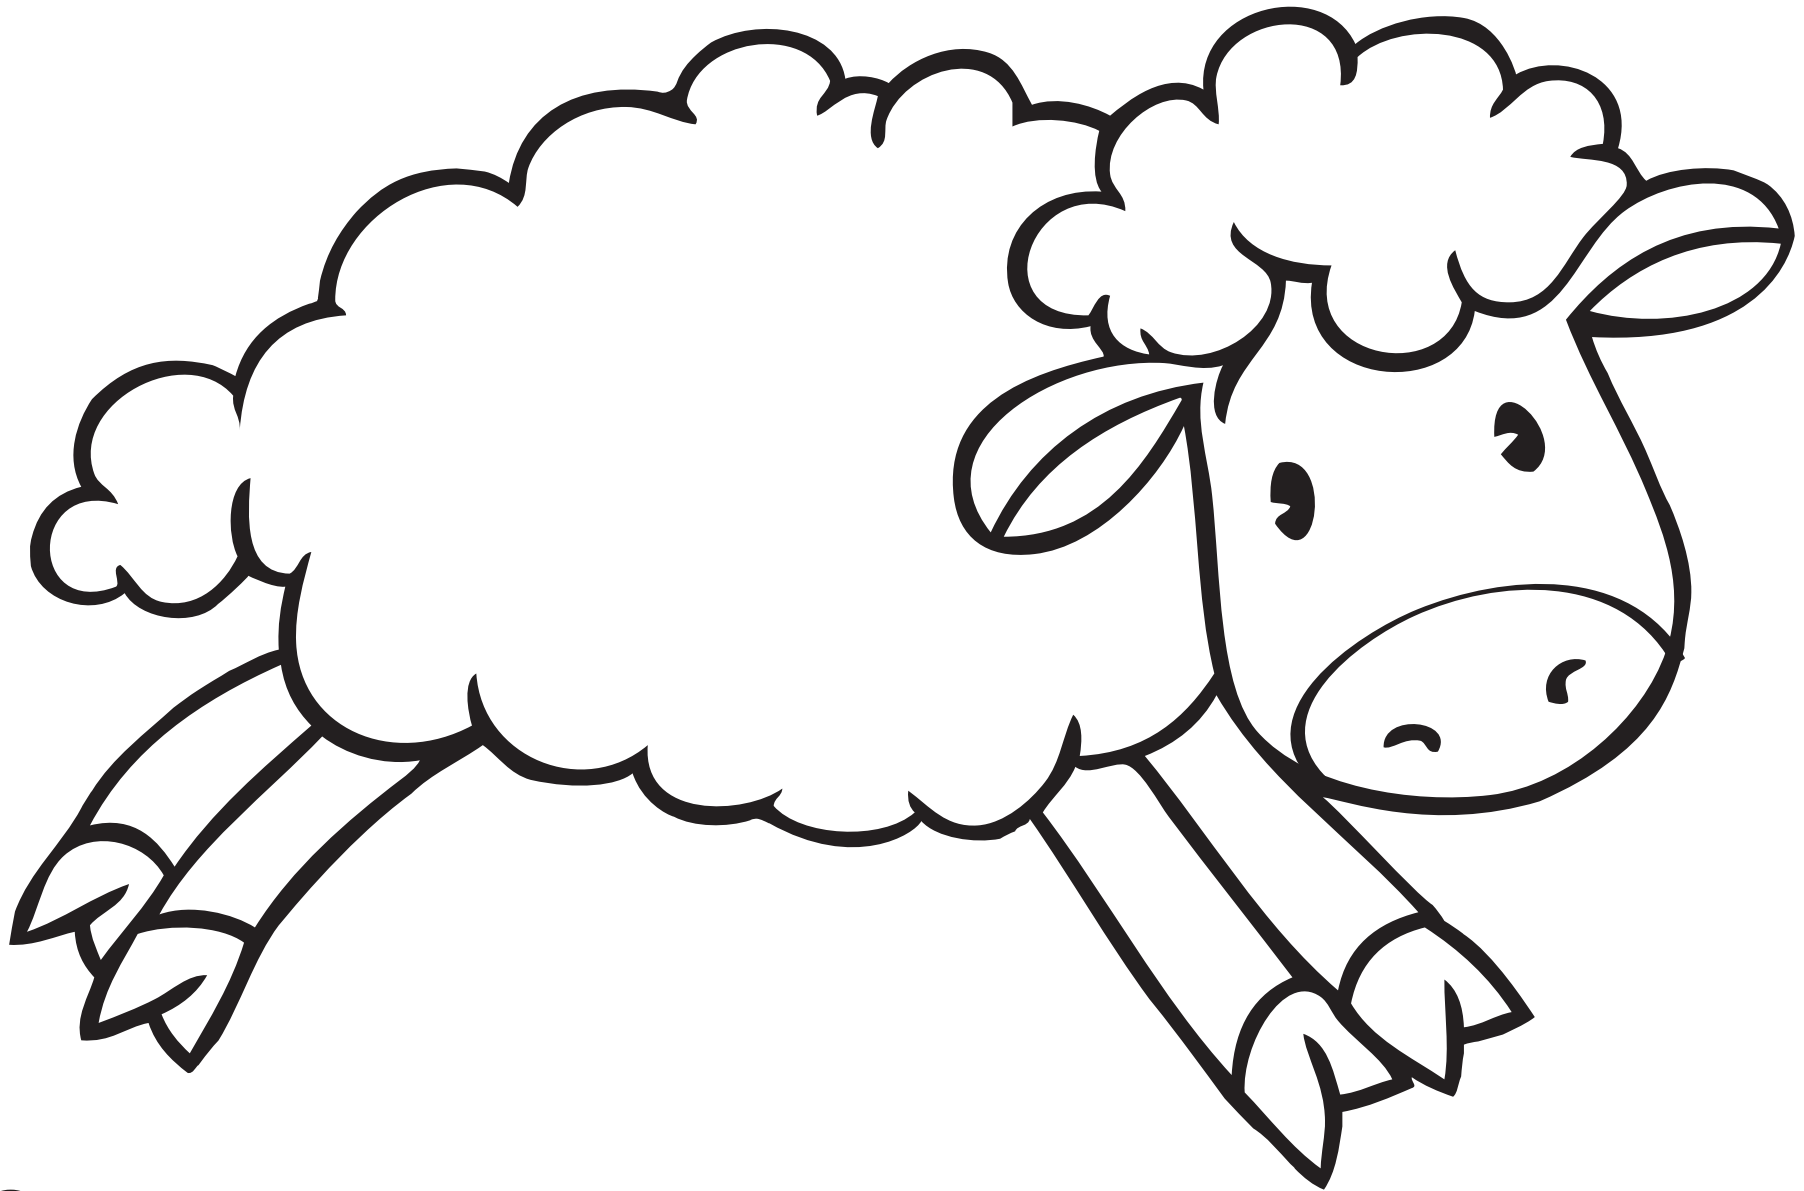

Cut out the pig movement cards and ask the children to pick a pig, one at a time. The child will call out the movement that everyone will do while the music is on. Once the music stops, another child calls out the next movement. Use the blank templates to create your own movements!

CACFP is an indicator of quality child care.

Soft Sheep

Glue cotton balls to the sheep. Then, cut it out and glue it onto a large construction paper to decorate and create a meadow scene.

F is for Fox

Print onto orange construction paper. Cut out the letter and glue onto construction paper to create a background. Cut out two triangles for ears on top of the letter F. Add googly eyes and a black triangle nose to the bottom of the top bar of the F. Add a tail made from construction paper to the vertical bar of the F.

Place ears here

Foxy Fashion

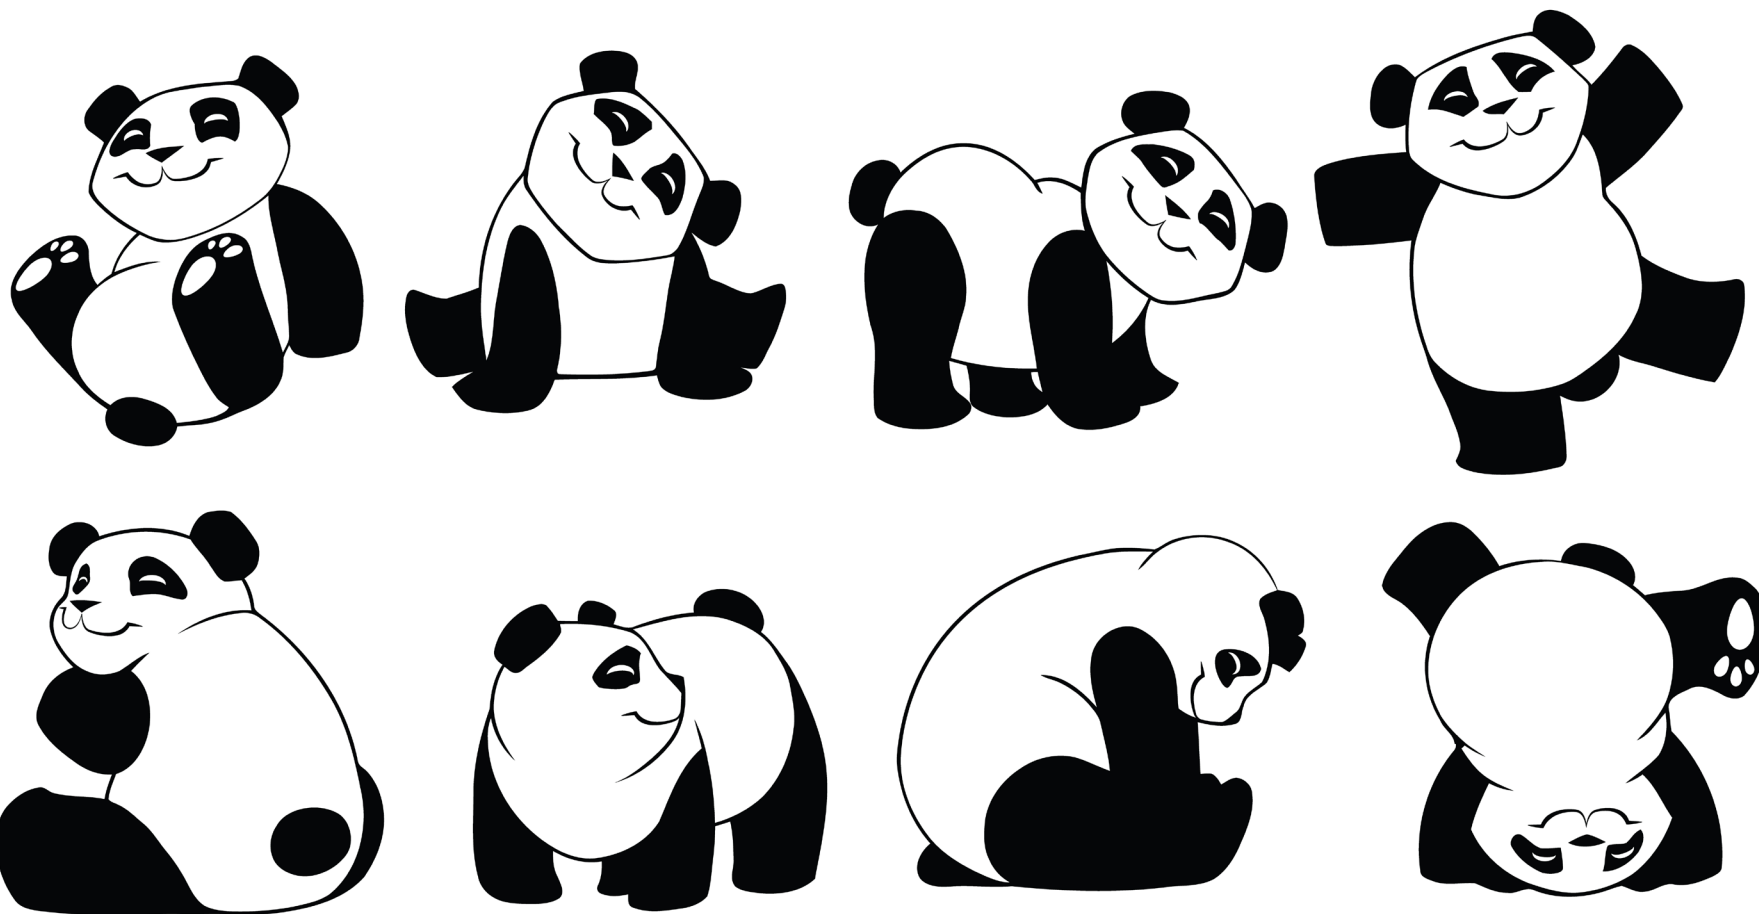

Cut out and paint the fox ears. Glue the ears to a long strip of construction paper. Help the child form a headband and staple the ends together at the correct size. Using one cup of an egg carton, paint and create a fox nose. Attach stretchy string to the nose to wear and help stay in place.

CACFP is an indicator of quality child care.

Playful Pandas

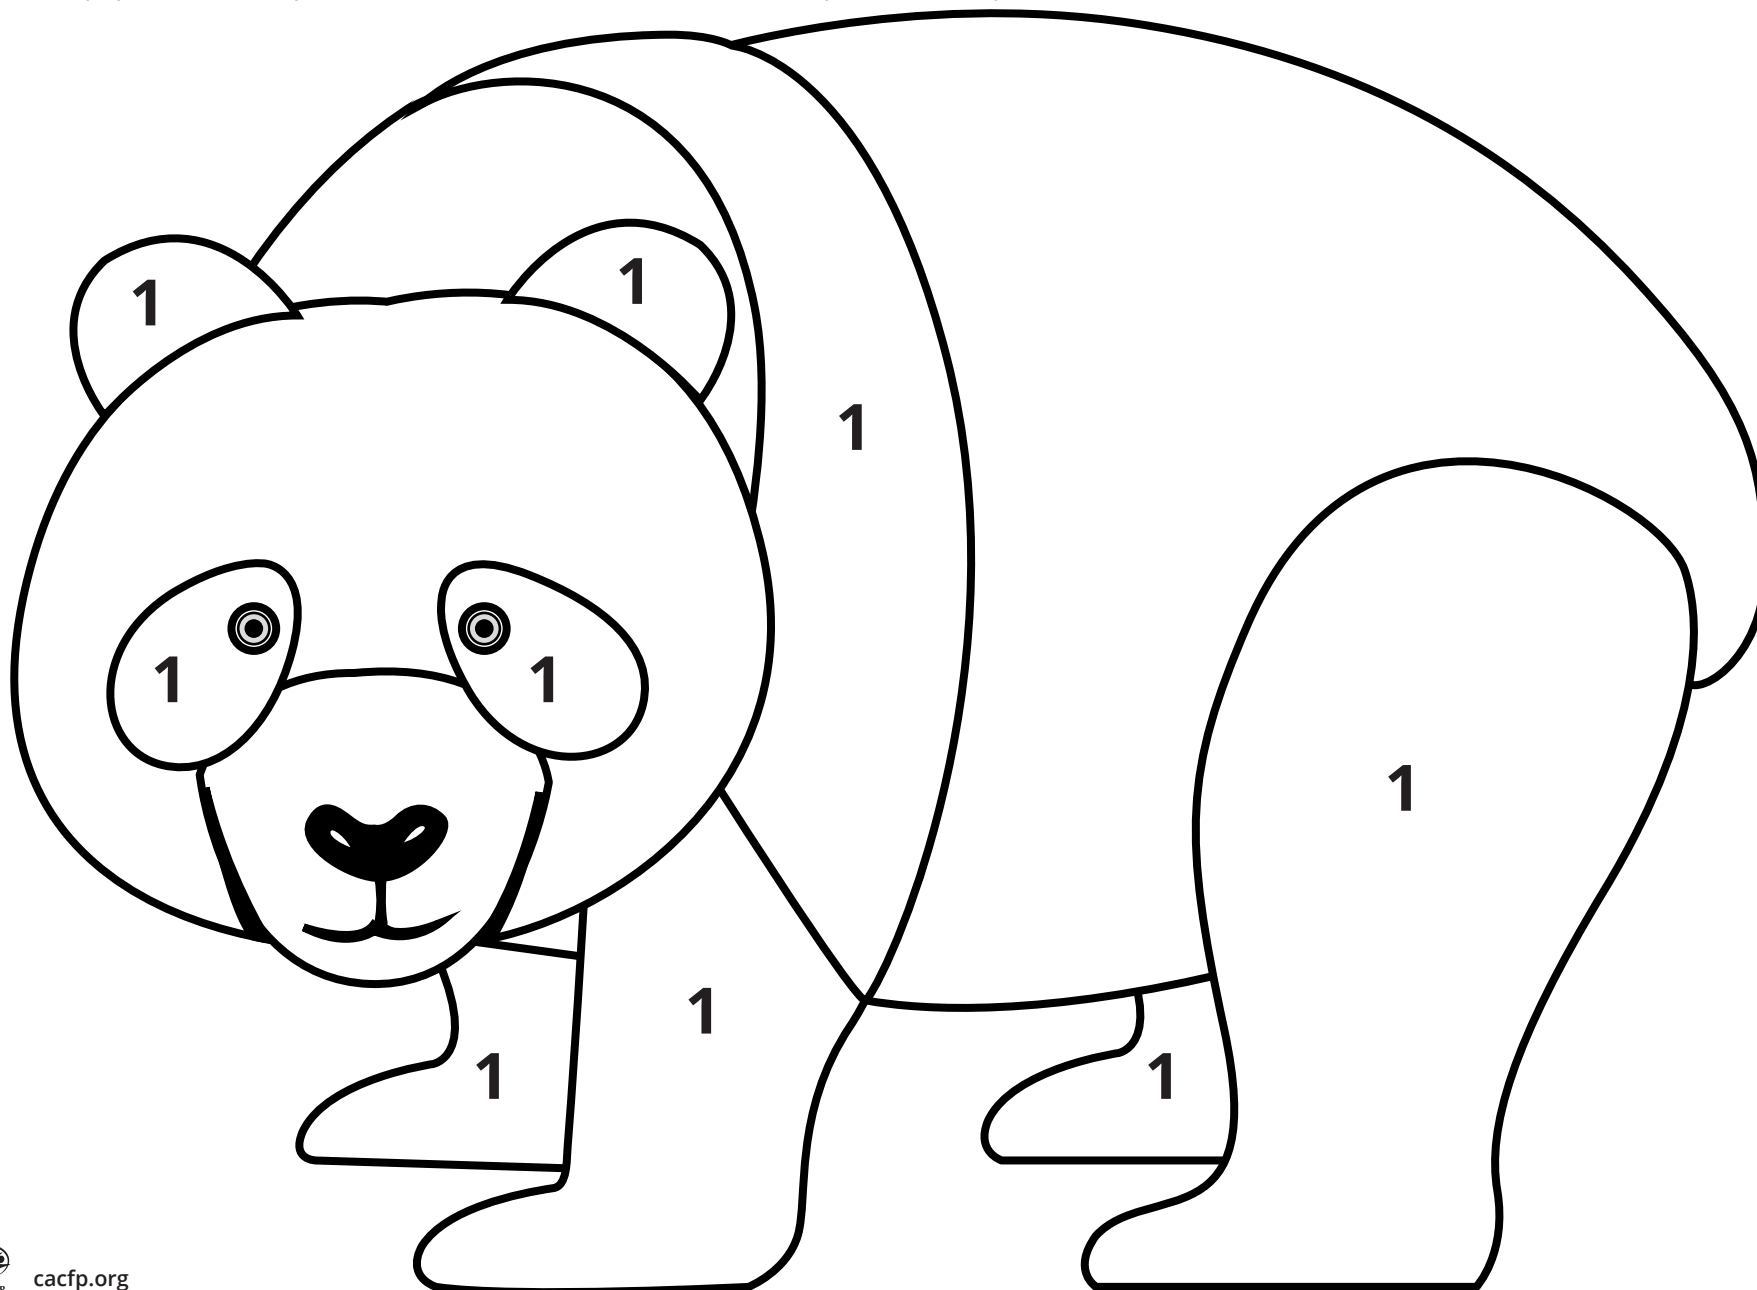

Cut the pandas out and hide them all over your play area. You can write numbers on the pandas for number practice.

CACFP is an indicator of quality child care.

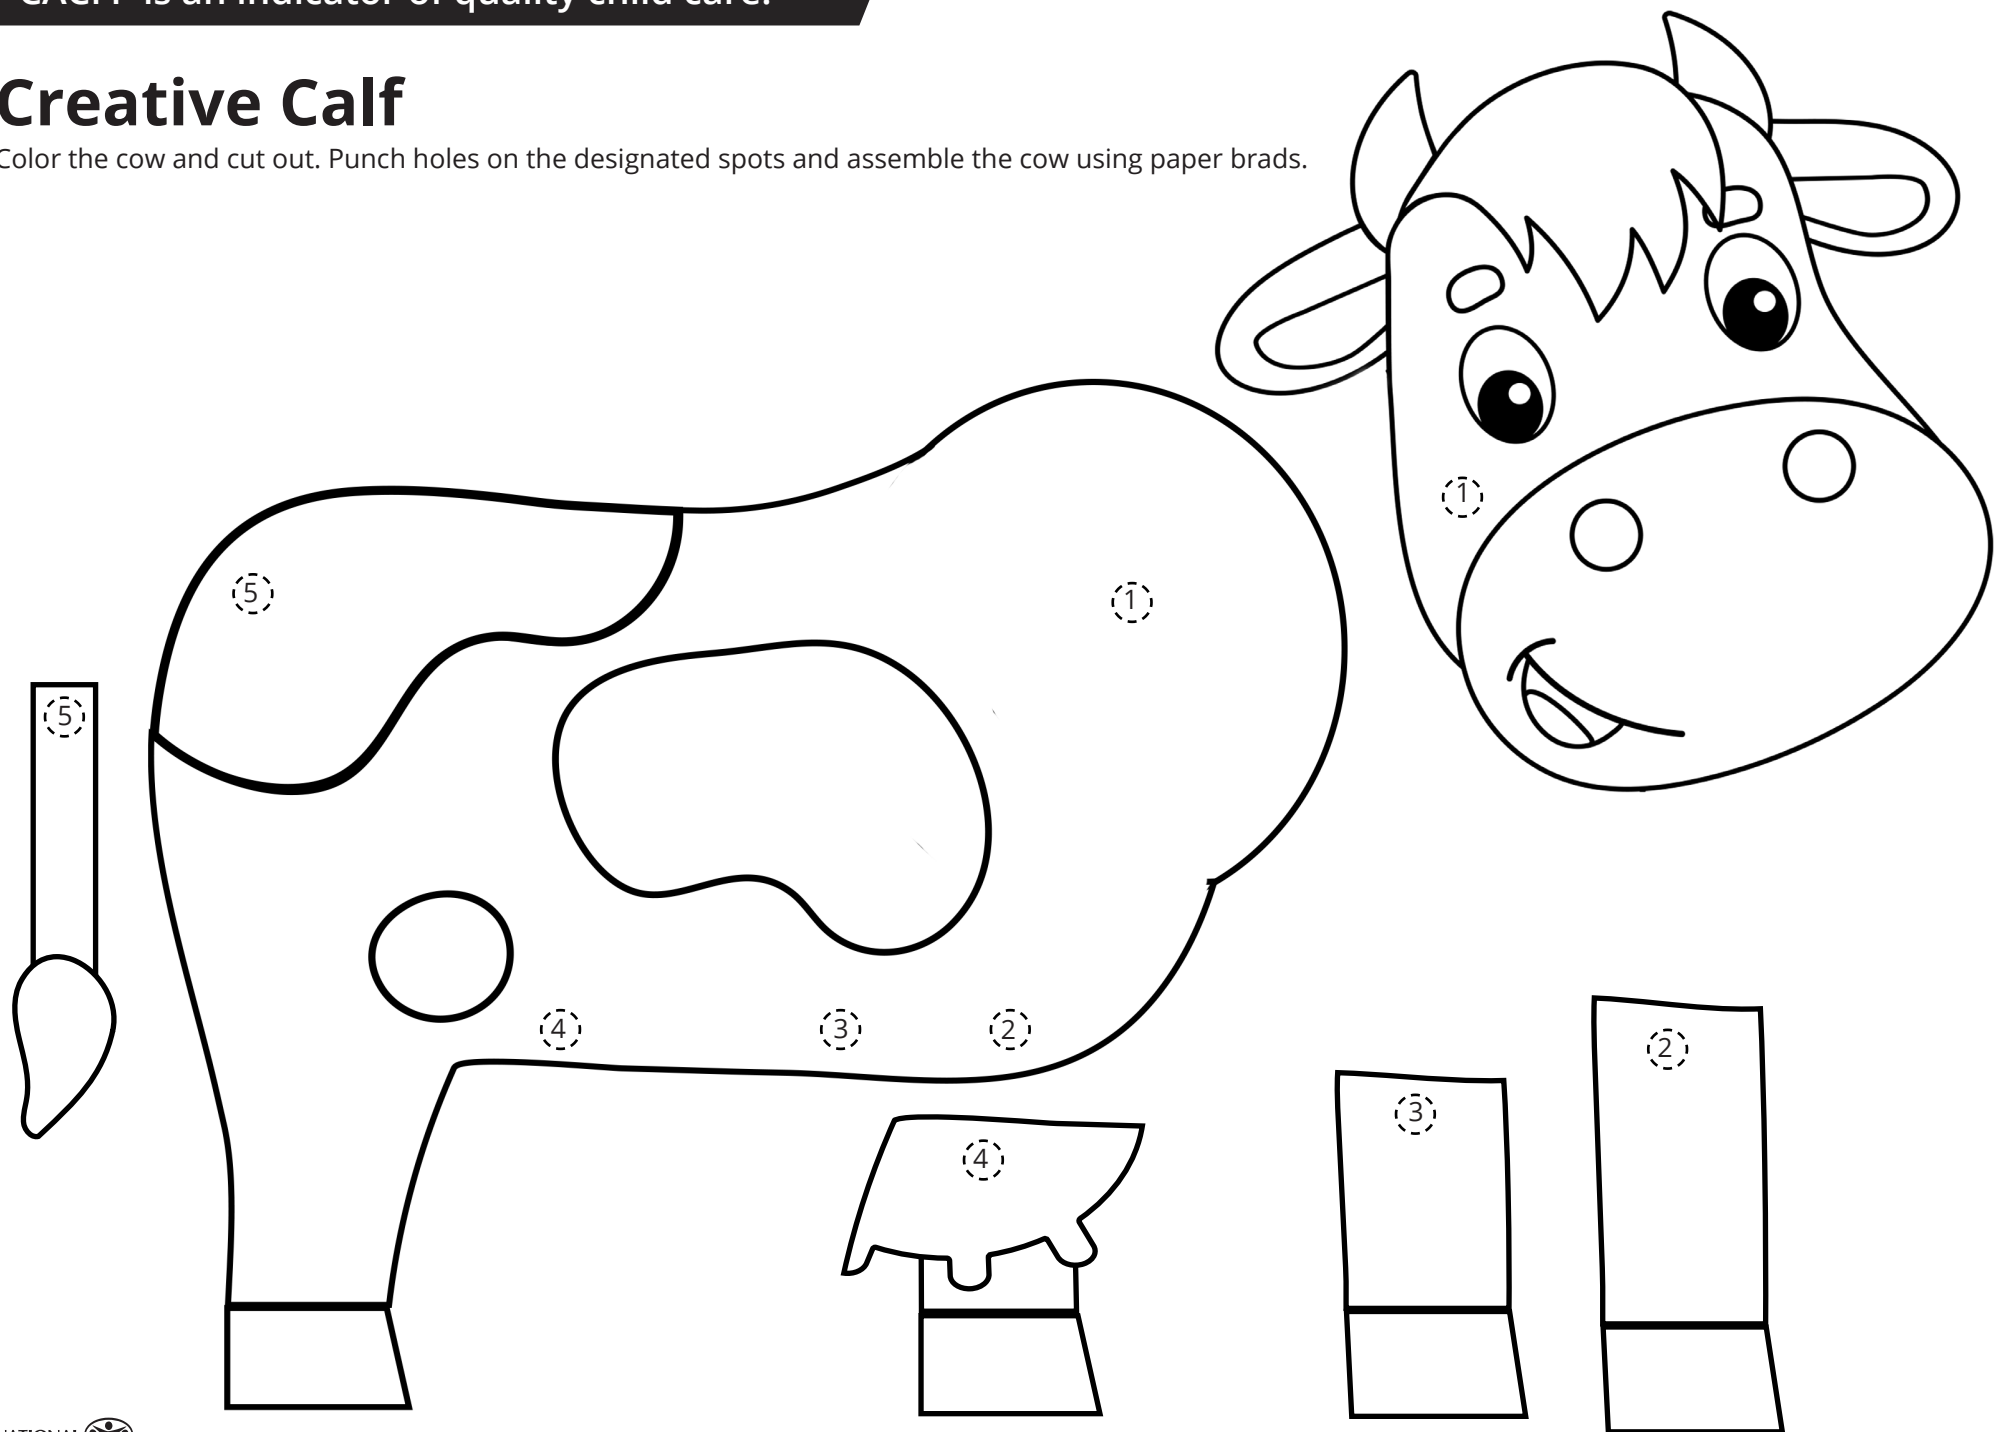

Panda Mosaic

Tear black tissue paper into small pieces. Glue them onto the sections of the panda where you see the number 1.

Creative Calf

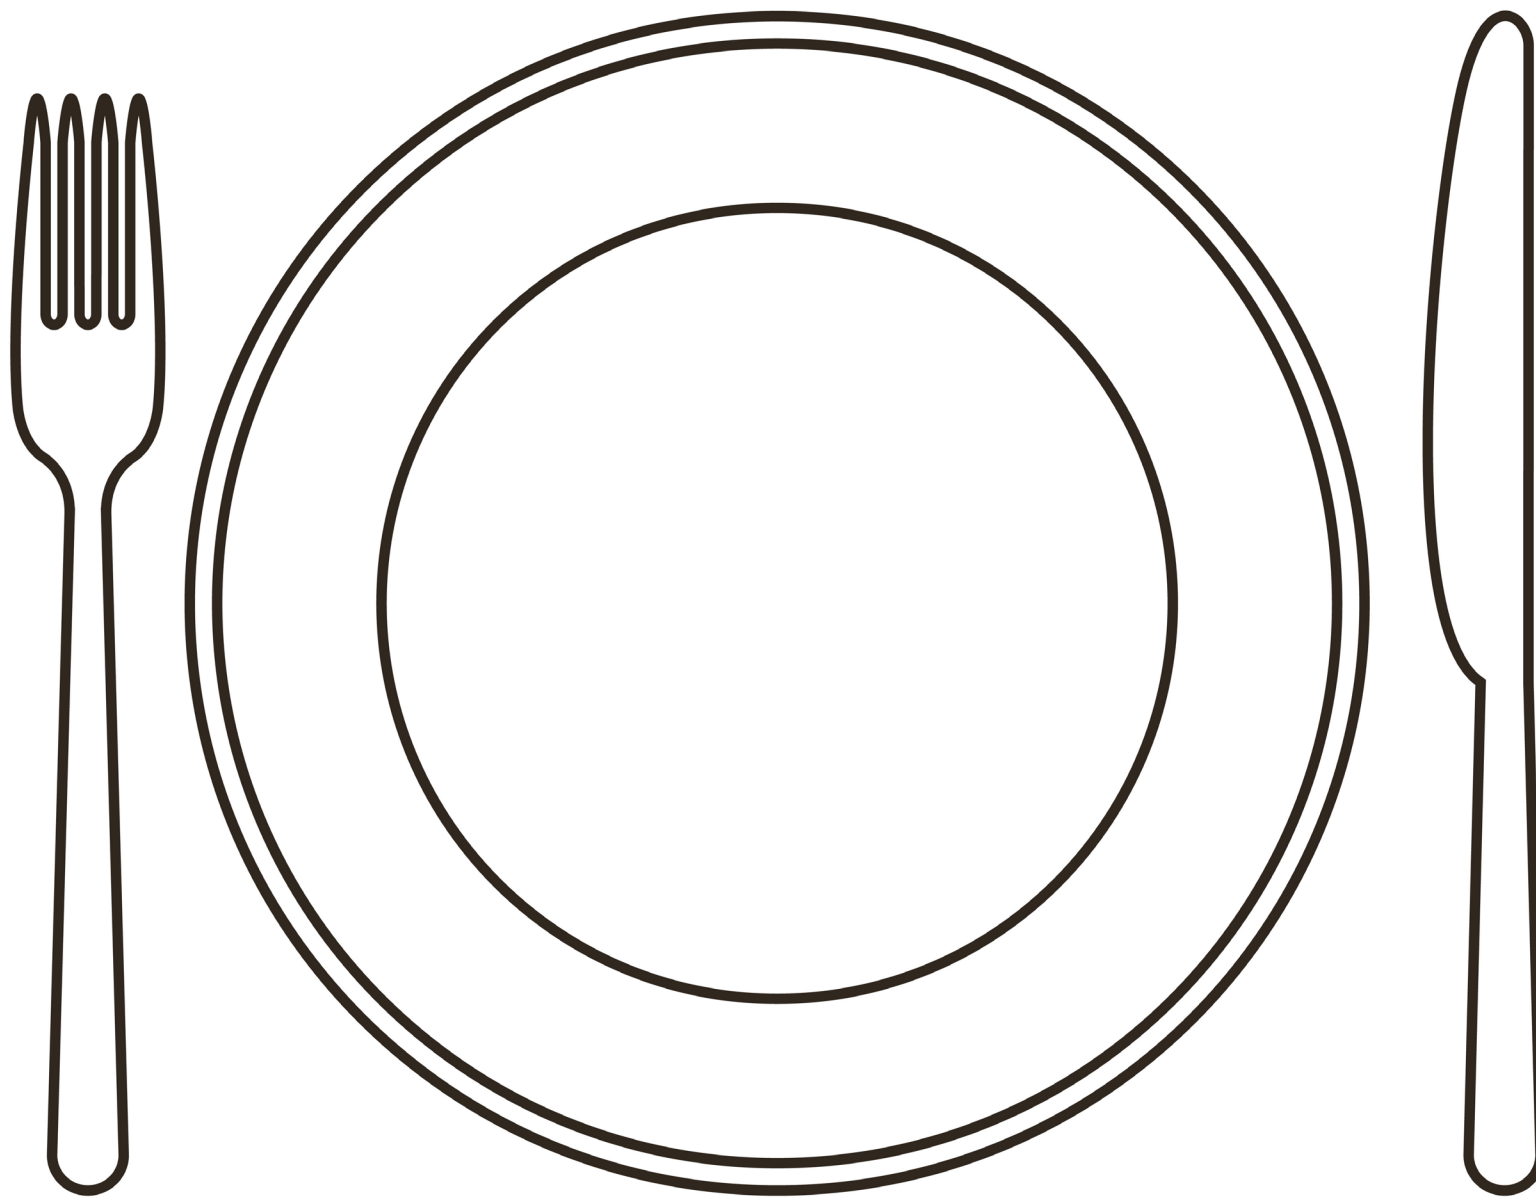

Color the cow and cut out. Punch holes on the designated spots and assemble the cow using paper brads.

CACFP is an indicator of quality child care.

Marvelous Meals

Using pictures of food, glue them onto the page to make your own healthy meal.

Hop to It

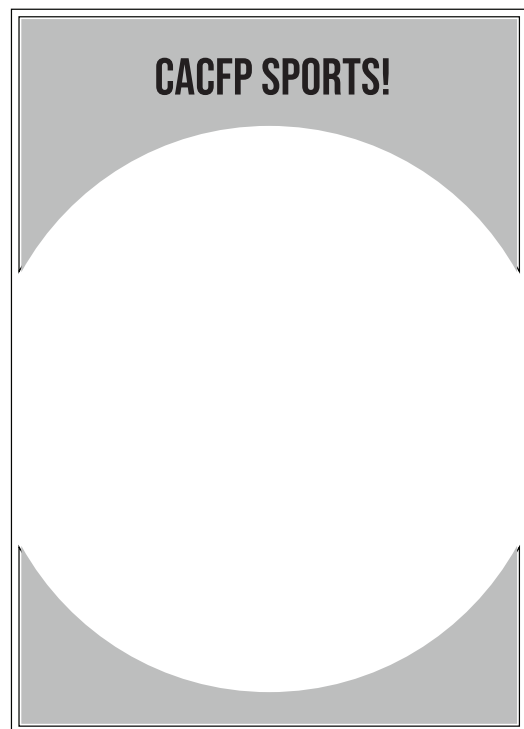

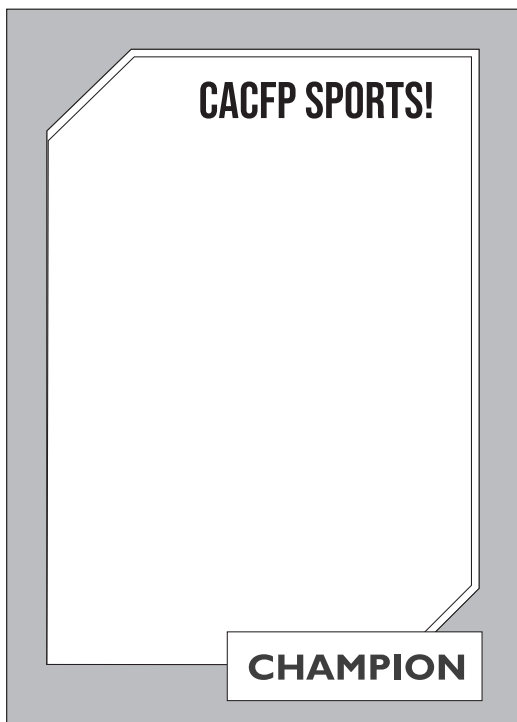

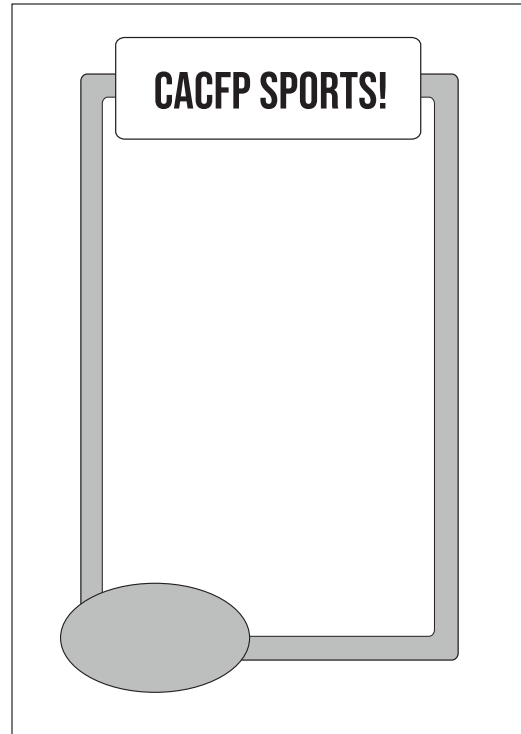

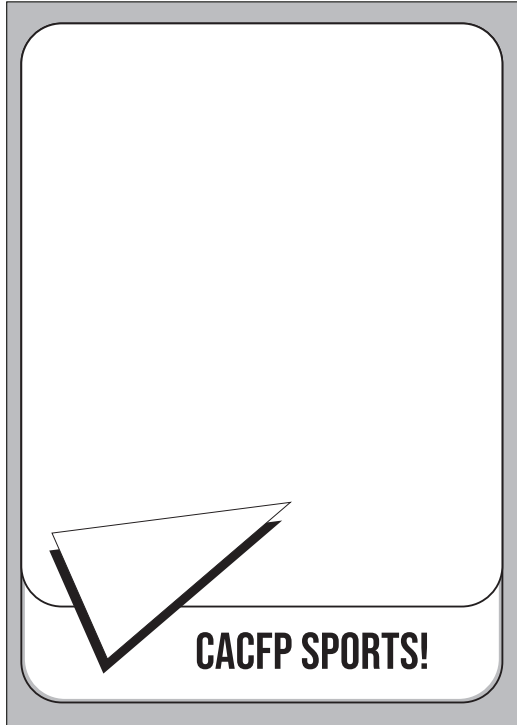

Cut out the Bunny Says cards and place them into a container. You can create your own with the blanks. Have one child be the bunny and reach into the container and pull out an action card to read. Everyone will follow the direction.
