CACFP WEEK March 15-21, 2020

Serving over **4.6 million children** healthy meals and snacks daily.

www.CACFPWeek.org

Child Enrollment Renewals

Each year we update the enrollments in each of your child cares. This is typically done in the summer months but this year we are moving it to spring since summer is such a busy time for many.

Beginning in March providers with the last names beginning A-G will receive information via email on the steps to take to complete this process.

- If you are a KidKare user, you will be able to access your children's re-enrollment report by going to: **Reports-Worksheet-Enrollment Renewal Worksheet-March**
- If you are a manual claim user, we will email you your renewal report for you to print.
- Please call our office if you do not have printing capabilities so that we can make other arrangements.

Editing and signing the Enrollment Renewals

- Be sure each parent updates any necessary info (address, phone number, child's schedule)
- Be sure the parent signs the enrollment and dates it in the current month (March 2020)
- Return enrollment renewal worksheets to our Fargo office, by March 20th 2020
 - Return forms by mailing or dropping off at 3233 University Drive S Fargo 58104, emailing to jennyn@sendcaa.org, or faxing to 701-298-7960

Snacks and Menu Ideas

Do you need some recipe ideas for your little leprechauns this St. Patrick's Day?! Green is the theme! Make homemade pizza or pancakes in the shape of a clover, or assemble green fruit kabobs. Use green food coloring in some of your dishes, such as muffins, pancakes, or even in their milk.

Have another festive snack idea? Share your final creation on our Facebook page.

Provider Profile

Stacey Piechowski has been a provider in South Fargo for almost 16 years. She started when her second child was born. She wanted to be able to stay home with her children, yet still needed to have an income too. Seeing the value in the Food Program she's participated from the beginning.

Stacey loves having the home visits, training opportunities and free handouts/supplies. She tries to include the children in her care as much as possible in preparing their meals. The kids especially enjoy taking turns choosing the fruit and vegetable sides.

Stacey has four children of her own, all in school now. She loves child care and doesn't see a change of career in her future. Thank you Stacey for being an amazing child care provider and participating in the SENDCAA CACFP!

Mandatory Training

Each year USDA requires all CACFP participants receive training on civil rights compliance and program policies. This training is short and should take less than 30 minutes to complete. Because of the short duration needed to complete, it is *not* Growing Futures approved. Feel free to complete electronically or download to print and submit to our office after completion. Failure to complete this training by the deadline could result in a corrective action. **Please complete no later than August 30, 2020.**
